Lunches with Laura

If you have not had lunch with Laura, you may be getting a call soon. She is making the rounds..

Welcome...

Aurora Auvien LPN

Aurora is one of the newest members of our nursing staff. She comes to us with 16 years experience as an LPN and recently graduated from the University of NM with a bachelors of Science in Biochemistry. Aurora has several years experience working in the DD Wavier field and is passionate about helping Advantage clients receive the highest quality of care.

Eileen Gonzales MS, RD

Eileen works part time counseling clients and teaching group exercise classes at Defined Fitness, as well as instructing future health professionals on nutrition at CNM. Eileen enjoys guiding and empowering clients to meet their health and fitness goals via

Executive Director- Nicole Anderson

Nicole has been with the agency since 2009 when she started as a service coordinator for family living. Nicole started her new position on June 1st.

Trainings

Annual A/N/E training

7-23 9 am - 1 pm

This is a mandatory training done annually by the state and if you are not being trained at your home with your service coordinator, then please come to the Advantage Communications office on the above day and time. This is required for all staff. Your paychecks will be handed out at training unless you trained prior.
